Gene:

Rifini at Intrado advised Vidas that they will only accept changes to the MSAG from him.

Gene,

I'm not sure if this position statement is meant to answer my recent query.  
If so, it doesn't answer my question.

I wasn't asking who, in theory or practice, can manage an MSAG. I was asking who, according to SBC and/or Intrado, is currently authorized to manage MSAG records for ESN's assigned to the DuPage County ETSB.

Vidas Germanas  
MSAG Administrator  
DuPage County ETSB

Bill,

In response to recent inquiries regarding who has the authority and responsibility for making MSAG changes in Illinois, we have prepared the attached document. Please share this with our Users' Group members via the list server.

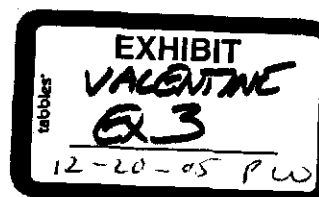

<<MSAG ledger.doc>>

Thanks,

Gene Valentine

Vidas:

The other ESN's below that you are requesting MSAG's for belong to the following:

- 229 Southwest Central Dispatch
- 230 Southwest Central Dispatch - being changed to Dupage
- 292 Kane
- 343 Southwest Central Dispatch
- 344 Southwest Central Dispatch

I left Bob Miller a voicemail regarding the above ESN's, requesting clarification. If these ESN's should belong to Dupage County, please let me know and I will discuss it with him further regarding any changes needed.

Lesley

Sue,

Could you please provide me with a hard copy of the MSAG for the following ESN's. Please let me know when it might be available for Vidas or myself to pick up. Here is the list of ESN's Vidas emailed me. He is a school this week. Thanks for your help.

Lesley-  
I'm not

sure I understand why we have this area set up differently than all other areas. Can you clarify why DuPage county should be able to make changes to the MSAG that SWCD responds to? ESN 345 is set up the same way. It makes it very difficult to handle the MSAG between the counties. SWCD sends us changes on ESN 345, because they respond to it, but we have to in turn ask DuPage permission to change it. I am just looking for some clarification before I make this change.

Any help in understanding would be much appreciated.  
Thanks!  
Tifini

**Subject:** ESN 230

**Importance:** High

Lesley,

Tifini Jones ran an ESN report for me last week for my review. I noticed that ESN 230 (Clarendon Hills PD/FD/EMS) was missing off of the report. In checking with Tifini, she indicated that ESN 230 was transferred to Southwest Central ETSB in March of 1999.

Clarendon Hills is a member of the DuPage County ETSB as approved by its voters via referendum. Please move ESN 230 back to DuPage County ETSB management. Please notify me once this has been completed.

Vidas Germanas

Hi Lesley:

For whatever reason your July 7th message did not make it to my e-mail location the first time. As I remember, the change was to remove the ESNs 229, 230, 343 and 344 from Southwest Central Dispatch MSAG code and insert them into DuPage County's MSAG code effective July 7th, 2005 and forward from this date. This action was taken at the direction of Bob Miller to you after he was contacted by Vidas Germanas from DuPage requesting this to be done because Clarendon Hills and Willowbrook were members of the DuPage County ETSB. Please advise me if this is correct. If it is will this e-mail be sufficient for confirmation or is a more direct e-mail necessary

Thanks,  
 Bill
